MR. LONG:

ON YOUR COMPLAINT OF 3-28-78; ( ACME SCRAP, 2101 STATE ROAD, ASHTABULA, OHIO )  
BURNING OF OLD TIRE'S.

UPON INVESTIGATION OF THE ABOVE COMPLAINT, WE FOUND THAT ACME SCRAP WAS  
NOT BURNING OLD TIRES. HOWEVER, THE BLACK SMOKE AND FIRE WAS COMING  
FROM OLD C.E.I. TRANSFORMERS, WHICH WERE BEING CUT UP FOR SCRAP.

AN EMPLOYEE USING A TORCH CAUGHT OLD OIL ON FIRE, FROM THE TRANSFORMER.

WE CAN ASSURE YOU THAT ACME SCRAP DID NOT CAUSE ANY PROBLEMS FROM THIS.
